

RTO No: 40101

### Are You Aware

Every employer has a duty of care to each employee to "ensure so far as is reasonably practicable that the employee is, while at work, safe from injury and risks to health".

## Forklift Refresher Course

### Course Objective

Refresher training is a short term course designed to re-train forklift operators back to their previously acquired High Risk Work Licence Standard. This course covers changes to the Work Health and Safety Act and Regulations, current workplace standards and safe operating procedures.

### Course Outcome

On successful completion of this course students will be issued with:

- Certificate of Completion

### Course Content

- Plan work
- Conduct routine checks
- Shift load
- Shut down and secure site

### Course Prerequisites

- Ability to read, write, speak and understand basic English
- Must hold current Forklift licence
- Ability to carry out basic mathematical calculations
