White Card (7.5 hours)

CPCWHS1001 Prepare to work safely in the construction industry

Course Objective

This course provides learners with the outcomes required to undertake Workplace Health and Safety (WHS) induction training prior to commencing construction work. The course requires the learner to demonstrate personal awareness and knowledge of health and safety legislative requirements in order to work safely and prevent injury of harm to self and others. The content of this course covers basic principles of hazard identification, risk management, correct selection of personal protective equipment (PPE) and identifying procedures for responding to potential incidents and emergencies.

Course Outcome

On successful completion of this course students will be issued with the following:

- A statement of attainment for CPCWHS1001 Prepare to work safely in the construction industry (White Card)
- White card issued from ATC

Course Content

- Identify WHS legislative requirements
- Identify construction hazard and control measures
- Identify WHS communication and reporting processes
- Identify WHS incident response procedures
- Identify and use PPE

Course Prerequisites

- Ability to read, write, speak and understand basic English
- Learners must be a minimum age of 16 years to participate
