# (WP) Boom Type Elevated Work Platform (above 11m)

## Experienced Operator Course (1 day)

TLILIC0005 - Licence to operate a boom-type elevating work platform (boom length 11 metres or more)

### Course Objective

To provide the learner with the skills and knowledge to undertake activities related to Boom Type Elevated Work Platform Operation. Training is conducted in accordance with the Work Health and Safety Regulations (SA) 2012 and Safe Work Australia's National Assessment Instruments for Licensing Persons Performing High Risk Work.

**This course is for experienced applicants only.**

**NOTE:** This course does not cover Training and Assessment for Scissor Lift.

### Course Outcome

On successful completion of this course learners will be issued

- Statement of Attainment
- Notice of Satisfactory Assessment and Tax Invoice
- High Risk Licence (WP) Issued by SafeWork SA \*see over page

### Course Content

- Plan work
- Conduct routine checks
- Set up elevating work platform
- Operate elevating work platform
- Shut down and secure elevating work platform

### Course Prerequisites

- All Learners must read the Training manual and complete the homework questions. Failure to bring the completed homework questions on the day of the course will result in exclusion from the course. Refunds will not be applicable.
- All Learners must complete a "Record of Training" form detailing previous operational experience and any previous training for Yellow Card - Boom Lift (if applicable)
- All Learners must complete a practical "Challenge Test" prior to the practical assessment. (Unsuccessful candidates will be advised and enrolled into the 2 day Training and Assessment Course)

### Learner Requirements

- Ability to read, write, speak and understand basic English
- Learners must be 18 years of age to undertake assessment.
- Must be able to work at heights

**NOTE:** RPL pathway is not available for this course due to licensing requirements. Learners are required to complete the full training program.

Subsidies Available
