

RTO No: 40101

Are You Aware

A person conducting a business or undertaking has the primary duty to ensure, so far as is reasonably practicable, that workers and other persons are not exposed to health and safety risks arising from the operation of chainsaws and small machinery in the workplace.

Chainsaw Course

AHCMOM213 Operate and maintain chainsaws

Course Options

We provide two course options for experienced operators and non-experienced learners to be accredited to operate and maintain chainsaws

Training and Assessment Course (2 Days)

Course is designed for learners with little or no experience operating chainsaws.

Experienced Operator Course (1 Day)

The experienced operator course is only available for operators who can provide details of previous experience operating and maintaining chainsaws in writing. To be eligible for this course, our Training Manager will need to approve the learner's level of experience.

Participant Attendance	Day 1	Day 2
Experienced - Must provide experience declaration.	✓	
No Experience - Must attend both days	✓	✓

Course Content

- Assist in preparation of work site
- Recognise and apply workplace safety procedures
- Check and prepare chainsaw for use
