

RTO No: 40101

Are You Aware

A person conducting a business or undertaking has the primary duty to ensure, so far as is reasonably practicable, that workers and other persons are not exposed to health and safety risks arising from the operation of chainsaws and small machinery in the workplace.

Chainsaw Course

Experienced Operator Course (1 day)

AHCMOM213 Operate and maintain chainsaws

Entry and Learner Requirements

This course is only available to experienced Learners who can provide verifiable evidence of operational experience.

All Learners must complete a "Record of Training" form detailing previous operational experience and training. Registration for this course cannot be confirmed without this information.

All Learners:

- Must be able to read, write, speak and understand basic English
- Must be at least 16 years of age to participate (must hold White Card if under 18 years of age)

Course Prerequisites

All Learners must complete a practical "Challenge Test" at the start of the course to demonstrate operational experience. (Unsuccessful candidates will be advised to enrol into the 2 day Training and Assessment Course - further charges will apply)

Course Objective

To assess the participants on their skills and knowledge to safely operate a hand held chainsaw using safe cutting techniques to cross-cutting fallen timber and maintaining the chainsaw in working condition.

Course Outcome

On successful completion of this course learners will be issued

- Statement of Attainment
- ATC issued Competency Card

Course Content

- Assist in preparation of work site
- Recognise and apply workplace safety procedures
- Check and prepare chainsaw for use
- Operate Chainsaw
- Cutting techniques
- Complete and check chainsaw operation
- Cleaning and storing chainsaw
