

Temporary Traffic Management (TTM)

Short Term Low Impact Course (1 Day)

Training Course (1 Day)

Short Term Low Impact (STLI) works are those conducted without the assistance of accredited Traffic Management personnel, and in accordance with simplified Traffic Guidance Schemes. STLI deals specifically with those worksites which are of such a short nature and have sufficiently low impact that a site-specific risk assessment has determined that the work can be undertaken without the use of a Static Worksite.

The types of activities that this training could be appropriate for are those that do not impact traffic flow (e.g., lane closures and speed reductions).

Example:

Short Term Low Impact works	If the works are minor in nature (e.g., pothole repairs, vegetation trimming) or can be performed quickly along multiple sites then a mobile (see AGTTM Part 4) short term, low impact worksite may be appropriate.
NOT Short Term Low Impact works	If the works are to protect major construction or a deep excavation that will take hours or days, then a static worksite with barriers may be appropriate (see AGTTM Part 3)

Successful completion of this course **does not** allow the individual to perform the functions of a fully qualified Traffic Controller, Traffic Management Implementer or Traffic Management Designer.

Course Outcome and Award

On successful completion of the assessment, Students will be issued with:

- Certificate of Completion issued by ATC
- STLI TTM card issued by DIT (Department for Infrastructure and Transport)

Course Content

- Defining Short Term Low Impact (STLI) Works
- Legislation and Austroads Guide to Temporary Traffic Management
- Understanding STLI Traffic Guidance Schemes (TGS)
- Traffic Management Plans (TMP)
- Static vs Mobile Worksites
- STLI Signage
- Understanding traffic, work-zones and road users
- Traffic Control and changing work area

Student Requirements

To enrol in this course, Students must:

- Hold a current Construction Industry White Card
- Be at least 18 years of age
- Have the ability to read, write, speak and understand English
